

# SYLVAN ENCOUNTERS

## Sales Points:

- Sylvan's new album will become a timeless masterpiece, comparable to other famous concept albums from bands like Marillion and IQ
- 'Encounters' will help the band from Hamburg to become one of the most important acts in the Progressive Rock scene
- Promotional copies will be sent to the music press and various radio stations
- Background stories and band interviews in all important European Progressive, Hard & Heavy and Melodic Rock magazines
- Internet promotion on the Angular Records homepages
- Advertisements are set for all appropriate European Progressive and Melodic Rock magazines
